The total estimated capital costs of providing the additional school capacity for this new development is \$647,000 calculated as follow:

Elementary School: 8 x \$34,000 = \$272,000  
 Middle School: 3 x \$37,000 = \$111,000  
 High School: 6 x \$44,000 = \$264,000

**RECOMMENDATION**

Adequacy of existing school capacity in this area is a significant problem. We are particularly concerned about a rezoning case where school utilization exceeds 100% since the proposed development may exacerbate the situation. Approval of this petition may increase overcrowding and/or reliance upon mobile classrooms at the school listed above.

Applicants are encouraged to contact us in advance of their project submittals to inform CMS of their prospective impacts and discuss mitigation alternatives.

In the South Planning Group, the projected student impact from approved rezonings from February 2018 to January 2021 is 1,354 students.
