Dear Charlotte Neighbor:

As you may already be aware from previous outreach meetings, our firm represents Prologis L.P. (the "Petitioner") in their evaluation of an industrial project on an approximately 105.53-acre site located near the northwest intersection of Shopton Road and Beam Road (Parcel Number 141-241-01). The Petitioner is requesting a rezoning for the property from the B-D(CD) zoning district to the I-1(CD) zoning district. A map of the property is included in this mailing for your reference.

In accordance with the requirements of the City of Charlotte Zoning Ordinance, the Petitioner will hold a Community Meeting prior to the Public Hearing on this Rezoning Petition for the purpose of discussing this rezoning proposal with nearby property owners and organizations. The Charlotte-Mecklenburg Planning Commission's records indicate that you are either a representative of a registered neighborhood organization or an owner of property that adjoins, is located across the street from, or is near the Property.

Due to unprecedented circumstances and federal and state executive orders directed at preventing the spread of COVID-19, the Official Community Meeting will be held virtually in accordance with guidance provided by the Charlotte Planning Design & Development Department. We invite you to attend the virtual Official Community Meeting via Zoom on **Thursday, June 10<sup>th</sup> at 5:30 p.m.** If you are interested in attending the live virtual presentation and discussion session at the scheduled time, **please send an email to [Brittany.Lins@alexanderricks.com](mailto:Brittany.Lins@alexanderricks.com) and you will be provided with a link to RSVP and receive access information for the virtual meeting.** Please reference the property location ("Shopton") in your email so we can send you the proper link.

If you expect you will be unable to access the virtual meeting and would like additional information, please contact [Brittany.Lins@alexanderricks.com](mailto:Brittany.Lins@alexanderricks.com) or call 704-200-2637 and we can make alternative arrangements for you to receive the presentation information.

Sincerely,

Collin W. Brown
