Petitioner: Charlotte-Mecklenburg Housing Partnership
Rezoning Petition No.: 2021-017
Property: ± 4.48 acres located in the area bound by W Sugar Creek Rd., Munsee St., and Yuma St. (the "Site")

This Community Meeting Report is being filed with the Office of the City Clerk and the Charlotte-Mecklenburg Planning, Design and Development Department pursuant to Section 6.203 of the City of Charlotte Zoning Ordinance.

PERSONS AND ORGANIZATIONS CONTACTED WITH DATES AND EXPLANATIONS OF HOW CONTACTED:

The required Community Meeting was held virtually on Tuesday, February 23, 2021. A representative of the Petitioner mailed a written notice of the date, time, and details of the Virtual Community Meeting to the individuals and organizations set out on **Exhibit A** by depositing the Community Meeting Notice in the U.S. mail on 2/9/2021. A copy of the written notice is attached as **Exhibit B**.

TIME AND DATE OF MEETING:

The Community Meeting required by the Ordinance was held virtually on Tuesday, February 23, 2021, at 6:30 PM.

PERSONS IN ATTENDANCE AT MEETING:

The list of registered attendees from the required Virtual Community Meeting is attached as **Exhibit C**. The Petitioner's representatives at the required Community Meeting were Julie Porter, Fred Dodson, and Jarrod Jones with the Charlotte-Mecklenburg Housing Partnership. Also in attendance were Bridget Grant, and Dujuana Keys with Moore & Van Allen, PLLC.

SUMMARY OF ISSUES DISCUSSED AT MEETING:

I. Overview of Petitioner's Presentation.

Introduction and Overview of Development Plan.

Bridget Grant opened the meeting and welcomed everyone in attendance. Ms. Grant reviewed the meeting agenda and introduced the Petitioner's representatives, including Fred Dodson with the Charlotte-Mecklenburg Housing Partnership.

Mr. Dodson gave a brief overview of the Housing Partnership and its commitment to provide Charlotte residents with affordable and mixed-income housing developments as well as paths to home ownership for over 32 years.

Ms. Grant reviewed the Site location and aerial proximity. The proposed rezoning area is a portion of the previous rezoned Site with Mayfield Memorial Baptist Church. This plan will amend the previous rezoning and allow development of 4.48 acres with a multi-family residential building. It is anticipated that this proposal will go before City Council for a Public Hearing on April 22 with a Decision on May 17, 2021.

The rezoning plan proposes 52 multi-family units in a single 4-story building with frontage along W. Sugar Creek Road. W. Sugar Creek Road will be improved with street trees and an improved streetscape. The

affordable housing community will assist individuals and families earning between 30% and 60% of the area median income with rents ranging from \$564 to \$1128 per month.

Ms. Grant reviewed the site plan benefits and the meeting was opened for questions.

II. Summary of Questions/Comments and Responses:

Attendees asked if the remainder of the land that was included in the previous rezoning petition would be developed. It was explained that only Development Area A depicted in this rezoning plan will be developed. The remaining land will not be developed as part of this rezoning.

Attendees asked about access and traffic along W. Sugar Creek Road. The proposed development will have access from Yuma Street and Munsee Street with no access from W. Sugar Creek due to topography. It was explained that due to the number of units proposed, a traffic study is not required. The Petitioner is awaiting comments from CDOT but major improvements are not anticipated with a development of this size.

Attendees inquired about the unit mix and community amenities. The proposed building will include 1, 2, and 3-bedroom units, including accessible units. The family-oriented community is looking to include wi-fi access, on-site laundry, a playground and computer room for residents. Julie Porter with the Charlotte-Mecklenburg Housing Partnership explained that their developments follow crime prevention through environmental design, including lighting and landscaping.

The proposed development has been approved for funding and anticipates breaking ground in August 2021 with pre-leasing to begin the following summer.
