Charlotte Tree Ordinance Development Requirements: Comments & Analysis

- 1. General** – N/A
- 2. Perimeter Trees** - Perimeter trees must be planted along all public roads within/adjacent to the Site as required per Charlotte Tree Ordinance.
- 3. Internal Trees** – Internal trees must be planted across the Site per standard requirements within the Charlotte Tree Ordinance and may be required to be planted parcel-by-parcel depending on final site design (especially any surface parking).
- 4. Tree Save** – The Site must comply with all applicable tree save requirements.
