Rezoning Petition Review

To: Charlotte Planning, Design & Development

From: Jay Wilson

Date of Review: August 30, 2021

Rezoning Petition #: 21-100

Existing Zoning: R-3

Proposed Zoning: MF17

Acreage: 3.85

Site Plan Submitted: Yes

Drainage/Stormwater Management: Stream/wetland survey required prior to approval of civil site plan to ensure accurate delineation of top-of-bank/stream buffers/creek path and identification of any protected wetlands that may be on the site.
