**ZONING COMMITTEE
DISCUSSION**

Staff provided a summary of the petition and noted that it is consistent with the adopted area plan.

Chair Keba Samuel stated that she believed the petitioner has been aware of the request to remove the five-year vested rights since the public hearing. Chair Keba Samuel is not sure if she would support the petition with the five-year vesting included.

Staff responded that they have had some conversations with the petitioner over the last week and staff understands the vesting request due to the nature of the project with long term lease arrangements they have with existing stores and tenants. Staff will continue the discussions with the petitioner and make a determination before Council decision.

There was no further discussion of this petition.
