

Zoning Board of Adjustment Testimony Information:

During the meeting, the ZBA Chairperson will address anyone who has signed up to speak on an Agenda item. All testimony must be given under oath and those wishing to speak on an item must be sworn in. Interested parties wishing to speak, for or against, will be given reasonable time to present sworn testimony. If you wish to submit evidence for consideration (e.g. photographs and other factual materials) you must send any electronic documents to staff at least one day prior to the meeting by noon. The documents must be labeled with the project address and case number.

The meeting can be viewed live at the CLT Planning Design, and Development YouTube Channel at: <https://www.youtube.com/channel/UCbaO3nb1iZiAdwJY69M5hMg>. Please note, staff support will be not available during the meeting to assist with technical difficulties.

Applicants, Opposition, and others who wish to provide testimony will need to attend in person and the link provided is for viewing purposes only.

If you have any questions or would like further information, please contact:
